OTHER NOTES/COMMENTS TO HELP THE NEW ADOPTIVE FAMILY: Rum is a very sweet dog. He's very similar to his littermates both of whom I also fostered. He does have one thing different..he enjoys his crate. He's very easy going, go with the flow and laid back. He doesn't have a lot of energy, he'll play with toys once in a while but for the most part just enjoys sleeping. He likes to be where ever the human is but doesn't mind when I leave for work. He's very tolerant of whatever you want to do with him, whether it be clipping his nails, petting him, anything. He'll just stand there. He should be fine with children.
