ADDITIONAL NOTES/PHOTOS TO HELP THE NEW ADOPTIVE FAMILY

Butterworth is very similar to her 3 littermates whom I also fostered. She's a very happy wiggly little girl...similar to her sister Butterbean. She really wants to please her people, walks nicely on lead and just wants a family to love her. She'll get along great with any age children, cats and small dogs as long as the children aren't intimidated by her 'smile'. She is a huge smiler. She smiles so big that her nose curls and looks like a piggy showing all her teeth. She also has an alligator snap that she does while smiling. That accompanied by her vigorously wagging tail tells you she's in a happy mood! She enjoys playing with her toys. She's at the perfect age for adoption and just waiting for a forever family to fall in love with her!
