ADDITIONAL NOTES/PHOTOS TO HELP THE NEW ADOPTIVE FAMILY

Skittles is a wonderful guy. He's very sweet, loving, easy going and laid back. He no longer needs to be crated when I leave and does fine for a typical work day.

Rides great in the car and walks very well on a leash. He also pottys nicely on lead.

His only downfall is he really needs a family with no fence or at 6ft fence as he's a jumper. He would be a wonderful agility prospect as it involves lots of jumping and

that accompanied with his eagerness to please his people he'd do very well. He's one of the few dogs that has adjusted superb to retirement! I haven't had any issues

with him and he's an all around great dog! He'd do great with children and is just a fun loving guy waiting for that right family to fall in love with him!
