What commands does the dog know: none yet, but we're working on it!

What does the dog like: playing with stuffies

What does the dog dislike: ?

What are the dogs best points: she is very playful and likes to interact with people or other greyhounds when playing.

What are the dogs worse points: jumping up on people when excited

List any other information that may be helpful for the adoptive family: KayJay is very playful. She loves to run with the other greys and she dearly loves all kinds of stuffed animals. She loves people and the attention she gets. She follows me everywhere!

PSYCHOLOGICAL

Enjoys: Playing with stuffies

Fears: has not show fear toward anything

Temperament(shy, outgoing, confident, dependent etc.): outgoing, curious

Reaction to new situations: is curious about anything new

DINING PREFERENCES

Mealtimes: 5:45 am and 6:30 pm

Food(brand, amount, how prepared): Holistic Select; 2 cups per feeding; dry food

Favorite treats: treats with good smells; she doesn't like the treats on the Petco bar at all (she spits them out!)

OTHER NOTES/COMMENTS TO HELP THE NEW ADOPTIVE FAMILY: KayJay has a lot of energy and is very playful. I think she would do well in a home with children (or adults) who will play with her. She likes for me to throw stuffed animals for her to chase and retrieve. However, if there is no one around to throw the stuffies, she will shake them until they go flying across the room and then she runs after them.
