OTHER NOTES/COMMENTS TO HELP THE NEW ADOPTIVE FAMILY: Maya is just a doll. She listens very well and is very smart. She's very adaptable to new situations. Walked in the house as though she's always lived here. She loves to chatter her teeth. She'll follow me around the house just chattering away! Being young she does have a bit more energy than most and loves running around the backyard to burn it off always wanting someone to play with her! She'll fit right in with almost any family lifestyle and won't mind being an only dog.
