OTHER NOTES/COMMENTS TO HELP THE NEW ADOPTIVE FAMILY: Evie has a lot of energy and is very playful. I think she would do well in a home with children (or adults) who will play with her. She likes for me to throw either stuffed animals or balls for her to chase and retrieve. However, if there is no one around to throw the stuffies, she will throw them up in the air and catch them several times before she gets tired of this game.
