**OTHER NOTES/COMMENTS TO HELP THE NEW ADOPTIVE FAMILY:** Ollie is very playful, happy and loving. He is also quiet and sweet. He seems very willing to adapt to any situation presented without fear. He has the curiosity of a puppy still and needs to know his boundaries, but is a good learner. He is quiet in his crate and sleeps well in there at night. He gets along well with our other two greyhounds and even shares a dogbed with one. He walks quietly on his leash and likes to ride in the car all curled in a ball. He is still trying to figure out how you jump into the car, however. He would make a wonderful companion for anyone looking for a loving, loyal friend.
