ADDITIONAL NOTES/PHOTOS TO HELP THE NEW ADOPTIVE FAMILY:

Bo is a very, very, sweet, laid back dog. I haven't had any problems with him and children while he's been here. He's currently on a diet because he's a bit on the chunky side. He enjoys playing with his toys. He's in a crate during the day when I'm gone and doesn't mind it at all. He runs right in there in the morning and at night. He does great with getting his nails done. He's learned a lot so far including how to sit. We are working on 'down' and a few others. Bo is a really great dog and will make a lucky family a wonderful pet. I haven't had any housetraining problems with him. He's just melted right in like he's always lived here. He's finds the softest dog bed in the house, curls up and goes to sleep. He'd love to curl up next to a forever

family. He's waiting patiently!
