AL KIOWA Bush (Al)  
Allies

Date: MARCH 7, 2010

Al is doing great. He is still sometimes a little stubborn with his sit command, but does all other commands flawless. Al seems to have a fascination with yarned clothes. We think it's because of his toys. Al is a very happy dog who wants to please. Al had fun playing all week & running with the other dogs. With the weather breaking Al is becoming more playful outside everyday. Al does great around other dogs. Though he likes to bark at them to get them to play which is very funny at times. Al loves to play fetch & he returns to drop the toy most of the time. As of now there have been no other instances of play-biting. We reported a couple days ago that we found two white round worms 2-inch's long in Al's turnout. There have been no other ones found since. We will continue to monitor this until further instruction is given. Al is a great dog with a great personality. Al will make a great home for someone.

Received heartworm meds 3-4-2010
