LADY DI IS DOING GREAT, SHE IS LEARNING HER commands very quickly. SHE CAN sit and Down very well, we started working on stay and come. DI seemed a little lazy at first but AS time goes by she is getting more and more playful she love to greet new people everyday, DI Has A RAW Spot next to HER PAD on Left Rear Leg. It seem's to Be healing but very slowly. She Also Has a Bite mark on her Rib cage where she was nipped By another grey through the muzzle. we Clean it Daily AND will continue to monitor Both spots.
