WOODY- BL Wood Win All  
Allies

Date: 7/11/2010

Woody continues to do good with all his commands. He sleeps all night, eats well, getting his confidence back, starting to enjoy himself, playing more each day. Woody only barks when all the greys are playing, he has a bass pitch bark. A very kind grey, loves all, greets all. Great for any family. no aggression; gets along very well with his room mate, Lady Di. He has a little stubbornness but seeing less of that. When he comes up to us he likes to put his head in our lap.

Woody has so much to give a family. He will make his new family very happy! Woody the Gentle Giant. No medical problems at this time. Thank you!
