WOODY- BL Wood Win All Allies Date: 8/1/2010

Woody is doing a Great job with His commands Set, Stay, Down, & Heel. He was doing great with His command come as in Training. Woody can be Stubborn at Times. He did The Command Come with no problem. lately There has been Target Practice Shooting at The gun range next door, during The Time woody was given The command To come during Circle Training in The Exercise pen, As Woody heard The gun fire He bolted That very second and run To The gate door To get out. We have been working with woody since That day. He has his Good days and bad. When we say come He seem's unsure. We will continue To work with Him, and assure Him everyThing is "OK". Woody has no Aggressions seen at This Time, no medical problem's seen. Sleep's all night, eat's 1 1/2 cups Dry 2 Times a day I believe woody would be Great for any Family.

Thank. Yaul
