DR. VAN NOSTROM
(DOC) Allies

"DOC" arrived here EARLY Thursday Morning. My first impression of him was that he is a very large handsome MALE who is very SMART. He is not shy towards people or other dogs. He is very kind and friendly. He has some apprehension of the YARD, or should I say that he seems a bit overwhelmed outside in the wide open yard. We are taking him on YARD WALKS AND socializing him much already. He seems to be improving a little. He got sick last night and threw up in his crate. He also cried a little and had to go Potty twice last night. The first two nights here he slept great all night, but last night he seemed a bit upset to his stomach and did not sleep well. He seems better today. He is again a very SMART DOG AND we should do well with him. He is the best looking dog here. He will certainly make someone a great pet.
