## PRISONER WEEKLY SUMMARY

TEAM# 18

Instructions: PLEASE PRINT DO NOT WRITE ON BACK  
Review weekly journal pages and write summary below

Prisoner Name: Rich-Luke Facility: ACFLASSIE - Dundrum Lassie  
AlliesDate: 7-31-10

Lassie had a great week. Sitting, Downing, stay, come, are all getting better. Stairs remain a problem. We get very little time a week to train on stairs, but what little we get, Lassie seems to be getting better. She still is very nervous about going up. Going down is no problem.

Lassie plays great with the other dogs. She has good, positive energy. She doesn't fight with the other dogs, just bounces around and barks.

We brushed her teeth on the 24<sup>th</sup> and 28<sup>th</sup>. As always, she causes us no problem. All around, she's pretty great!
