QUICK JET (JET)
Allies

Jet had a very good week. During group circle training she behaved and performed well also she learned a new trick which is shake.

We have been working hard on the long stay & down stay command. also stay in sit position. Rollover is becoming faster everyday. So far no signs of aggression at all and no medical problems to report. We have noticed Jet likes to mark (potty) often and she is always on the hunt to find the best spot to do this. Jet came in weighing a heavy 66 lbs and she has lost 2 lbs still I believe she could stand to loose a pound or two more.
