Destiny is doing great, she is now one of the pack. She is sleeping all night, eating 2 meals a day 1 1/2 cups of dry dog food at each meal. Because of this hot weather she loves walking and laying in the pool.

Destiny does all her commands, and ready for graduation and her new family. Destiny is a loving, curious, energetic, & beautiful grey. When on walks she likes to meet people and loves attention. There is a family who will adopt Destiny and complete her life.

Destiny will be great for any family. She loves to play, she is a great companion & friend, she loves to be petted & hugged. She will be missed here. Destiny has no medical problems at this time.

Thank you!
